My name is Eric Haid and I was born on May 31, 1989. I live outside on a farm with my mom, dad, my brother Dexter and our dog Rosa. I go to LDSS or Listowel District High School where I have hopefully completed my second year. I love to play sports like lacrosse, basketball, soccer, football and motorcycling or three-wheeling if those classify. I started to play the piano in Grade 2 and have kept with it to the present day with all my theory completed and up to Grade 7 performance playing. I hope you enjoy the evening while I play for you and hope you have a great time and try not to get knocked out!
