

How to upload a video to YouTube

1. Log in to your YouTube account.
2. Click on the video icon at the top right-hand side of the window, which can be found next to your user icon, messages, apps, and notifications.
3. Click 'Upload Video.'
4. Then, press 'select files to upload' to find the video file saved on your computer. Or, you can drag and drop it into the window.
5. An optional step is to choose the privacy settings on your video. We recommend selecting **unlisted**. This will allow you to share it with the composer and other participants, but the video won't be searchable by the wider public.
6. Once the video has been uploaded and processed by YouTube, it will give you a shareable link that can be copied and shared with the CNCM office at:
cncmoffice@gmail.com

NOTE: Videos **MUST** be uploaded to your private YouTube channel no later than **July 4th, 2022**
