<p>3:30 – 4:15 PM</p>	<p><b>Pedagogy Workshop #6</b> <b>Topic: Developing Your Creativity</b> Host: Martha Hill Duncan Location: Canada  I'm often asked, "How do you create something from nothing?" as if for one moment there's silence and in the next - a musical masterpiece. Many say that creativity is a gift, but I would counter that musical creativity comes from varied musical exposure, long practised and developed skills and a laser-focused vision to solve a musical puzzle with an artistic solution. We'll discuss our personal musical challenges and successes, while exploring and encouraging creative activities and exercises.</p>	<p>3:30 – 4:30 pm <b>Group A: TBA</b> Host: TBA Location: TBA <b>Group B: TBA</b> Host: TBA Location: Manitoba <b>Group C: Masterclass</b> Host: Christopher Norton Location: Prairie Central Students will perform own choice of Norton jazz work. <b>Group D: Taking the Lead</b> Host: Wes Froese Location: Saskatchewan Students are coached in developing lead sheets and keyboard harmonization. <b>Group E: Composition Session 2</b> Host: Nicholas Fairbank Location: BC</p>
