<p>3:30 – 4:15 PM</p>	<p>Pedagogy Workshop #6 Topic: Developing Your Creativity Host: Martha Hill Duncan Location: Canada</p> <p>I’m often asked, “How do you create something from nothing?” as if for one moment there’s silence and in the next - a musical masterpiece. Many say that creativity is a gift, but I would counter that musical creativity comes from varied musical exposure, long practised and developed skills and a laser-focused vision to solve a musical puzzle with an artistic solution. We’ll discuss our personal musical challenges and successes, while exploring and encouraging creative activities and exercises.</p>	<p>3:30 – 4:30 pm Group A: Together in Biggar ‘23 Host: TBA Location: Alberta Students will play personal compositions and discuss compositional ideas with the visiting composer.</p> <p>Group B: Together in Biggar ‘23 Host: Peggy L’Hoir Location: Manitoba</p> <p>Group C: Masterclass Host: Christopher Norton Location: Prairie Central Students will perform own choice of Norton jazz work.</p> <p>Group D: Taking the Lead Host: Wes Froese Location: Saskatchewan Students are coached in developing lead sheets and keyboard harmonization.</p> <p>Group E: Composers & Kids Host: Michael Dobinson Location: Biggar Majestic Theatre See Group C (2:30) above for description.</p>
